## Stylist Series —Forbidden City

# Orfeo

Orfeo, as the upgraded version of CD120liner, should be the new type of CD player come into Forbidden City family. The idea behind this CD player was to enhance sound performance of CD120liner by using advanced Linear technology and carefully selected components so as to further release the true possibility of 16bit/44.1kHz format music.

# Forbidden City - Orfeo

## SPECIFICATIONS

	<i>Orfeo</i>
DAC resolution	16bit TDA1543X4
0dBFS signal output	2.35V RMS
Output Terminals	Gold plated Tube RCA unbalanced
Frequency response	Less than +/- 0.5 dB deviation 20Hz-20kHz
Phono input	(MM,MC) selectable
Frequency response	- 0.5 dB deviation 2Hz-80kHz
Signal-to-noise ratio	More than 100dB
Crosstalk	Less than -100dB
Distortion (RCA)	Less than 0.12 %
Remote Control	Philips RC-5 compatible IR system 36kHz modulation frequency
Dimensions / Weight	11cm x 45cm x 33cm (HxWxD) / 18kg

## COLOR OPTION
